Happy Birthday

B

To my mom, my mother, my momma, my idol,

I love you very very much! I wouldn't be where I am right now without you.

(literally) You've been ~~my~~ ~~no~~ my biggest inspiration as well as a mother and a Father at the same time.

You're so generous, strong, and Beautiful....
The list goes on!

Thank you for all that you do. I know all of us have been crappy kids but we'll do better for you, I promise.

I'm sorry that people don't appreciate you as much as they should. You always put others before yourself and I admire that so much. We love you so much. We wouldn't be anything without you.

You deserve all the love you give others back.

I love you so much. You've sacrificed so much just so that we could have what we do now. You aren't only my mom, you're my best friend. Thank you for always listening to me when I complain and whine. And for taking care of me when I'm sick. You are the only person I feel like I can turn to when everything falls apart.

I'm so blessed to have you as a mother. I can only hope that I grow to be ~~half as good as~~ like you.

• you deserve so much more than me, and
I hope one day I can pay you back.
But for now...

Thank you, I love you. And I
hope you have a great Birthday!

I love you as many grains of sand
there is in the world.

I love you as many gallons of water in
the oceans.

I love you to the moon and back.

~~(remember those?)~~ (remember those?)

But Happy Birthday !.!!!

Sincerely,
Your little girl ♥

(I'm sorry for it being so sloppy) ~~xxxx~~

Mother!

To Mikaela & Sara,

My dear sweet girls. I love you both so very much!

You are both little troopers. I am so very proud of you - keep Jesus first & foremost in every thing you think say & do.

You've been given a very special work - representing Jesus to everyone around you - the Spirit of Christ - which is the living law of God comes to live in your body when you invite Jesus to come into your thoughts, words & actions.

Please go look up Luke 21:15 & Exodus 4:12 & claim them -

Jesus will help you talk sweetly to each other - and those around you.

I know you love each other - & I love you guys with all my heart. Thank God for John & Cassie & their family - God has put them in our life for such a time as this. Read Esther.

Please share with each other. ♥️

Love you both bunches!

~~Dear~~ Dear Melissa,

How are you doing? I hope things are going well for you at school. How are the puppies? You probably haven't sold any yet. Do you like your teacher? How many friends do you have? I have several teachers and I am starting to know what they all want for class requirements. I have made a few new friends and some of them live on 3rd floor with me... one girl on my floor works with me every afternoon for 3 hours. I am learning how to play the sax in band. What have you guys been up to? What did you all do for Mikaela's birthday? I tried to call on her birthday but didn't get through. I don't have much free time, but I did want to write to you & see how you all are.

♡ y'all :)

To my wonderful,
beautiful, amazing, perfect,
Mother. I love you so
very much and I don't
know what I would do
without you. Thank you for
all the sleepless nights ~~and~~
when I was a baby, and
for all the hard work you do.
I don't thank you enough.

You make everything easier.
I wouldn't be where I am
without all of your effort.
You've dealt with me for
14 years plus the nine
months which I'm sure
sucked (sorry for that, lol)
I know you've been stressed
lately but I want you to
know that you're the strongest
woman I know. I know
you aren't "looking" but if and
when the love of your life
comes around (may even possibly
be within this above) but he
will have the most perfect

Dear, Mom

I know I don't give you reasons to love me, and I make a lot of mistakes, like the hospital, and gma's, and the cussing. I'm Sorry about it all.

I am making myself better. I read the Bible every morning and whenever I get done with my goals at school. I am trying... I wish I could be the daughter you wanted... But I'm going to try to be.

I'm sorry for being a pain, and for cussing. Thank you for being here and not giving up on me while we were in foster care (both times).

And thank you for loving me...

I love you. I'm sorry. Please forgive me, Momma. I'm trying to be the best me I can, so we can all be in Heaven together. ♡ Love,

Mikela ♡
